

Spring, 2010

I want you to imagine for a moment...

- \* You are taking a road trip with your classmates.
- \* On this road trip you stop and have an awesome lunch and meet more friends.
- \* Your road trip ends at the most amazing place in the country you've ever seen!
  
- \* When you arrive, you are shown to your own dorm room, like college kids have.
- \* It is a college kid that shows you to your dorm.
- \* He is going to show you and your friends around the campus.
  
- \* Then, you are told that you are all on the same Olympic Team and there will be lots of events such as walley ball, bounce house obstacle course, dodge ball, tug-of-war and the list goes on and then ..... prizes!
  
- \* Food is going to be awesome!
- \* And now imagine all of this is available to you because God wants you to experience Him in this kind of setting with these types of activities.

You don't have to imagine!
